- Someone *must* be present at our pit meeting Wednesday, February 10th at 5:00pm at the BFGoodrich Tractor Trailer in the main pit area.
- If we are dumping fuel for your team during the race we will need all information regarding your fuel by this time. Each team will be responsible for getting their fuel to the BFG Pit location. Please understand **WE WILL NOT HAUL FUEL!** It is the responsibility of you and your team to get your fuel to our pits.
- All spare tires and parts (including wheels) must be marked with your driver's last name and vehicle race number and can be dropped off at the BFG Tractor Trailer during Contingency or Tech. Retrieval of wheels, parts and dump cans will need to take place within '2' hours of the end of the race at the BFG Tractor Trailer or remote pit.

Special Requests/Fuel Program:

- Please bring any extra or personal dump cans to the pit meeting or to the BFG Tractor Trailer.
- We will not be responsible for hauling fuel to or from pits.
- Make sure your team picks up fuel and supplies.
